ULTIMATE ARCHITECTURE
ALLURING BEAUTY

LET THE SPACE INSPIRE YOU...

Bounties of nature wow the humans with their sheer expanse and enormity. At Diaamond we have always strived to pay our tributes to Mother Nature through innovative approach to product development so that the aesthetics that natural marble and other stone offer can be provided without really hurting it. In line with this thought we introduce Revolutionary surface coverings in extra large formats "Smart Marble". A product of cutting edge technology with a dash of unparalleled realism and natural beauty.

LARGE SIZE

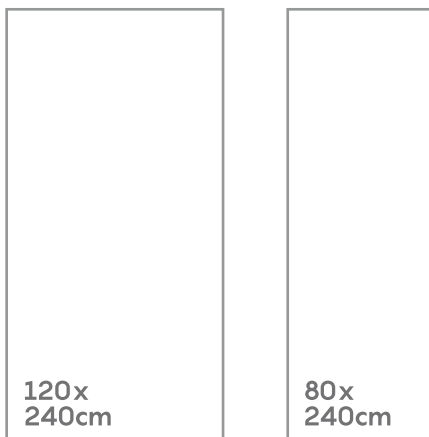

Smart Marble is the new benchmark for projects where large sizes are preferred.

EXTREMELY LIGHT

In spite of its large size, its 9mm thickness makes it extremely light and convenient for any application.

IDEAL FOR CRAFTSMANSHIP

Provides unmatched project flexibility and great aesthetic value to the execution of an idea.

LET PRACTICABILITY COMPLIMENT AESTHETICS

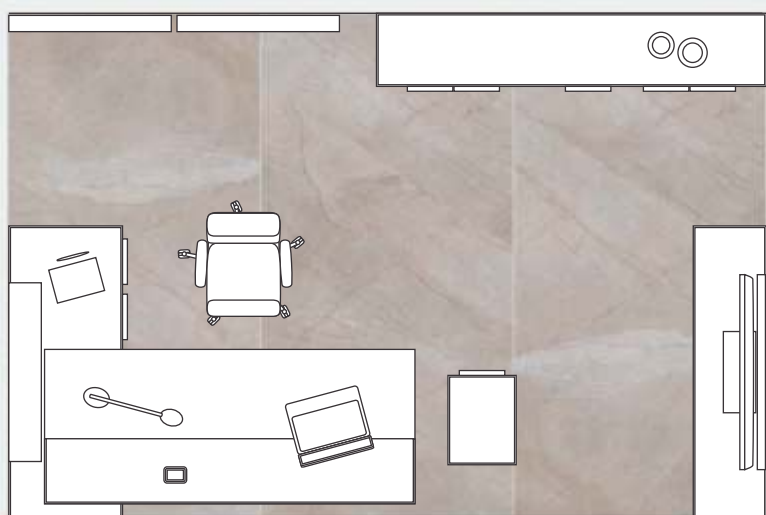

Inspired by marble, SMART MARBLE collection stands out for its rich variety of shades & Designs, combined with unique finishes that evokes the very essence of fine stones. Synonymous with exclusive elegance, the collection is designed for use in indoor residential walls & floors. It also stands out for the endless possibilities of usages as counter tops, Kitchen work tops, Door & Window seals, Furniture tops apart from both Ventilated & Non-Ventilated Facades.
