Matt Finish An obvious choice for your creating a rustic look within your home. Archi collection present MATT tiles series. Outdoor areas should be paved with matt tiles due to their durability and slip resistance. Matt tiles can stand up to weathering, with terracotta. Natural stone is also still extremely fashionable, with the likes of travertine and limestone tiles often coming in a matt finish to give a warm, homely look.

SUGAR SERIES

Sugar Surface is rich and striking but also subtle and deceptively to the balancing of the colour effects and vein patterns. The floor covering 's subtle use of colour and sugar finish create an intimate, attractive harmony.

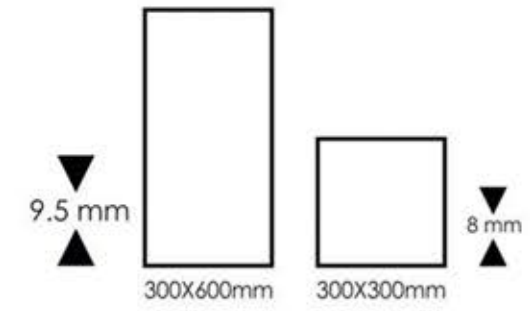

Sugar surface with the simplicity and thickness of 9.50mm and size of 300x600 mm.
